YOUTH NET

Friday, April 17th 2015 from 6pm - 8pm

**COME HANGOUT WITH YOUTH NET
AND GET A FEEL FOR WHO WE ARE!**

Youth Net is a bilingual, for youth by youth mental health promotion program offering alternative and complementary support services for youth aged 13 to 20. We strive to increase young people's ability to live a balanced mental health lifestyle while reducing stigma around mental illness and its various treatment options through prevention, intervention, education, research and advocacy.
